

Manuscript Wax & Sealing Workshops

Manuscript is pleased to offer you the opportunity to take part in our Wax & Sealing workshops on stand J01 during the Art Materials Live show.

Learn the decorative art of sealing, it is quick, easy and lots of fun! We will demonstrate the use of our wax gun and seals passing on lots of tips and ideas to inspire you. We will help you to create a beautiful card, gift parcel toppers and tags using colourful waxes, lots of glitter and finishing everything off with our colour coordinating 'Callicreative' calligraphy markers.

Each workshop will last approximately 50 minutes and we are restricted to a maximum of 10 people per workshop – so book your place as soon as you arrive!

To find out more about Manuscript Calligraphy and Sealing products come to our stand M08 at the show or visit our website: www.calligraphy.co.uk
