

## Pebeo Demonstration Area

Pebeo will be providing products for consumers to test at Art Materials – Live this year. The area will be set up with a section for Pebeo Studio Acrylic paint and mediums, a section for Pebeo XL Oil paint and mediums and a section for Pebeo Artist Acrylic Inks, Gold Leaves, Flakes and Paste, plus a section on Resins and gift ideas.

Consumers will be able to test, use “have a go” and to “squeeze some colour out of a tube”. We have a lot of colour to use and will actively encourage everybody to participate. All work (except the Pebeo XL Oil, because it won't dry) is available for collection and we will do our best to display the better works to create a colourful working environment.

Consumers will be able to purchase products from the Skipton Art Shop stand N14.

Products for Demonstrating:

- XL Oil, Iridescence, Glaze & Colourless Medium
- Studio Acrylic
- Gesso – white and black
- Modelling Paste and Bindex
- Artist Acrylic Inks and Drawing Gum
- Gold Leaves and Gold Flake and Gilding Paste
- 3D Touch Relief Paint
- Clear, Coloured & Pearl Resins plus Glazing Resin and Gloss Varnish
