Y04 Glimpses of the Swinging Sixties

The Embroiderers' Guild *STITCH* magazine has joined forces with Madeira UK and *Fashion, Embroidery & Stitch*, to bring you the *STITCH/Madeira* Competition 2010.

The theme for the competition is 'Glimpses of The Swinging Sixties'. The decade wasn't all froth and fashion, but lots of memorable images and style icons come to mind – mini-skirts, mini-cars, Mary Quant, man walking on the moon, The Beatles, pop art, psychedelic patterns and colours, Twiggy, Concorde takes to the skies...

So come along and see how people's imagination has run free with this amazing embroidery competition. All entries will be on display, with judging taking place on the first day of the show, with £1500 of prizes up for grabs!
