Riverside Beads Stand H05

Riverside Beads is an established, specialist family run company offering an extensive range of high quality findings and stunning beads from our shop in Peterborough.

Throughout the show we will be running FREE workshops at Riverside Beads on stand H05 where you will have the choice of making a Bag Charm or Cluster Necklace. Upgrade kits will be available.

The workshops will cover the very basics in jewellery making techniques, giving you the confidence and knowledge to take your design and imagination to another level!

You will be amazed at how easy and quickly a stunning accessory can be made! Our FREE workshops are aimed at those who are new to the wonderful world of jewellery making, concentrating on the basics such as head pin loops, which form the building block to most jewellery making and using tools designed to make light work of any jewellery design.

Workshops will run daily from 10am and then on the hour thereafter, on stand H05. Please allow between 30-45mins to complete your project.
