### **ZE20 Jane Greenoff's Itch to Stitch Workshop**

For all cross stitchers and counted thread enthusiasts, we are proud to present once again this year Jane Greenoff's 'Itch to Stitch' workshops. Come and join in an instant stitch lesson with Jane; try cutting Hardanger, or working hemstitch; learn how to embellish your embroideries with perfect French knots, and much more. Jane will also be giving problem-solving advice and you will have the chance to see The Silverwood Sample completed at last!

### **Y20 Revolutionary Cross Stitch Experience**

Let Vartan, from 'Sew-it All', introduce you to this amazing new development for printed needlecraft fabrics, creating designs beyond your imagination.

Join in the fun and help create your very own unique and individual fabric samples, from thousands of colours and image ranges. Be amazed as you help Vartan work on his computer, then print the designs before your very eyes... Simply magic!
